Old Business and updates

- **Rink Updates-** Goal date is August 20th, telling everyone September. Still cleaning up from the fire that happened. Major things: lobby bathrooms- getting a facelift, locker rooms are getting fresh coat of paint. Ice schedule is almost completed for big sheet. Mini sheet is October-February. Ice prices are not changing this year. Long term plan is for another compressor to feed into the big sheet and mini sheet.
- **Volunteer Jobs-** This summer we will be sending out a request for people's interest- here are some options (spring show, winter show, clean up). Melanie would be willing to contact volunteers once we compile a list. How will we manage coaches with volunteering?

How do we get a google doc created and to members? When they register to be a club member, it could be part of a welcome email. It can have links to website, link to board of directors, link to LTS and the show, link to rink exchange website, etc. Christy will put together a list of what she thinks should be included in the email and will send it to Emily.

The requirement is 8 hours for the year.

- **Wreath and poinsettia fundraiser-** The vendor has not been thinking about poinsettias yet. Stephanie mentioned that she will help with this project. Stephanie is taking on the wreath fundraiser this year.
- **Membership for next season-** Already discussed earlier in meeting

- **New systems for registering for LTS and freestyles-** LTS- league apps. Christy is meeting on Wednesday with uplink spyder for freestyles. Goal is to have payments feed into bank account and say what it is for.
- **Ice Cream Social in August-** Emily contacted Handels- August 27th (Wednesday). All day event. Flyers are ready to go. Christy will include it in the mailchimp and put it on social media. Christy will add it to website as well. Last year we had a meet-up. This year we will plan on 7-9 pm.
- **Compliance for board and coaches-** The board are all members. Reminder for board members to do skate safe.
- **Work party – step 2-** Denise, Alex, and Christy met last Monday and sorted costumes. Next we need to inventory- such as photo and list of what is in box and then put in google doc. Work party #2 TBD.

New Business

- **Additional freestyle?- Ducks practice around 7-8 am M-Th.** Toshia will get back to us with times on Wednesday and Saturday.
- **Carousel Classic Competition in Eugene – volunteer opportunities and \$ for us!**- already discussed
- **Synchro Team-** practice every week in the fall and then performance in the winter show. We need 10 people to be cohesive. It will be expensive. We can't do an aspire program, synchro team, and a new freestyle all at the same time. Teresa Warner expressed interest in helping with synchro team. We need someone who organizes this. Graphic needs to be created, schedule needs to be created, etc. It would be 10 sessions and the show as a package. Winter could be the axel class sessions. We decided to look at offering an advanced class in Winter and Synchro in Spring due to the Fall being a season of rebuilding every year.
- Announcements/Good of the Order
