 - Will need check-in volunteers - should I work with Emily and/or Melanie to arrange that?

- I'm still working on coach availability.
- There is a new instructor apprentice application. I emailed it out to several of our core skaters last week and to the coach's to distribute to anyone they know might be interested. It will be linked to the website tomorrow afternoon when we have our website training.

BIG NEWS:

- Have scheduled an official USFS/LTS USA Instructor Training seminar on Saturday Sept 27th. Promoting it to entire region; Patrick O'Neil will be coming to Eugene to present. The agenda is still being finalized but will likely be about 8:30 am to 4:00 pm, using the previously scheduled workshop rental for the on-ice portion. There will be a break in the seminar to accommodate some of the freestyle time. I will be reaching out for assistance with some breakfast, lunch, & snack requests as well as transportation needs for Patrick. (The goal being to bring our costs down). Our instructors will be required to attend, apprentices and those interested in apprenticeship are highly encouraged to attend, and we will be inviting participants from all OSC rinks/clubs, Boise, WA, and even Northern Cal programs. Cost will be \$30, \$10 for college students.

Also:

- First workshop is 9/16 5:45. With Alex & Elaine. Basics, edges, patterns, practice tips. Details will be on website this week.
